

PROCEEDINGS OF THE PUBLIC HEARING MEETING HELD ON 26.11.2021 (11.45 AM) AT DANAGADI BHAWAN TEHSIL DANAGADI IN THE DISTRICT OF JAJPUR FOR EXPANSION OF CRUDE STEEL PRODUCTION CAPACITY FROM 2.2 MTPA TO 4.5 MTPA AND COLD ROLLING MILL FROM 1.6 MTPA TO 2.6 MTPA OF M/S JINDAL STAINLESS LTD WITHIN THE EXISTING PREMISES AT KALINGANGAR INDUSTRIAL COMPLEX IN JAJPUR DISTRICT

The public hearing in respect of the project proposed by M/s. Jindal Stainless Limited for expansion of crude steel production capacity from 2.2 MTPA to 4.5 MTPA and cold rolling mill from 1.6 MTPA to 2.6 MTPA was held on scheduled date & time in Danagadi Bhawan in the district of Jajpur with reference to:

- I. EIA Notification S.O 1533 (E) Dtd. 14.09.2006
- II. Interim Operational Guidelines till 13th September 2007 in respect of applications made under EIA-1994

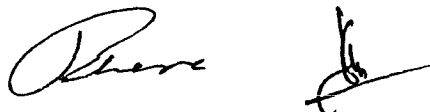

The Panel consisted of the following members:

1. Sri Santosh Kumar Mishra, Additional District Magistrate, Kalinganagar, Jajpur
2. Sri Pramod Kumar Behera, Regional Officer, State Pollution Control Board, Odisha, Kalinganagar.

Sri Santosh Kumar Mishra, Additional District Magistrate, Kalinganagar, supervised & presided over the public hearing process and assisted by Sri Pramod Kumar Behera, Regional Officer, State Pollution Control Board, Kalinganagar, the representative of State Pollution Control Board, Odisha, Bhubaneswar.

At the outset, welcoming the members participated in the meeting Sri Pramod Kumar Behera, Regional Officer, State Pollution Control Board, Kalinganagar, gave a brief introduction about the guidelines to be followed for the public hearing in the light of EIA Notification, 2006 and interim operational guidelines till date, in respect of project proposed by M/s. Jindal Stainless Limited.

Welcoming the public, Sri S.K. Mishra, Additional District Magistrate, Kalinganagar explained that the views, comments, objections and opinions of the public are necessary while considering the environmental clearance of the project.

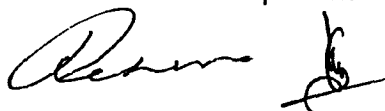

He asked the project proponent to make a brief presentation before the public gathered in the meeting about the various aspects of the proposed project to be undertaken for better awareness of the public. On behalf of the Project Proponent, Sri A K Patry, General Manager of M/s. Jindal Stainless Limited addressed the committee members and assembled public, and made a brief presentation about the salient features of the proposed project, environmental management, pollution control measures, waste management, afforestation programme and various other peripheral development activities envisaged in the proposed project.

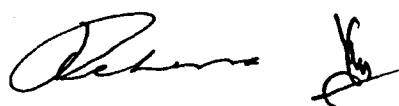

Then Sri Mishra, ADM, Kalinganagar, requested the public to give their views, comments, objections and opinions on the proposed project.

The views expressed by various speakers on the proposed project are as follows:

1. **Priyanka Das, Kharadi**
She welcomed the panel and expressed her support for the expansion project of M/s. Jindal Stainless Limited and requested for the employment of the local People and Plantation in the periphery area.
2. **Dillip Nayak, Jakhapura**
He welcomed to the administration, local gathering & media. He told that expansion of the Industry is a good initiative. He suggested to do extensive CSR activity, restriction in use of inland water bodies and special care to environment. He suggested for water sprinkling in roads to arrest dust pollution. He told that many years ago the people were facing so many difficulties but now they are developed because of industrialization. But with that he also requested to take steps to control the pollution, concern about the local employment. Simultaneously he requested to the administration to guide the Industry for the proper process and focus on the area development.
3. **Manasmita Nayak, Kubhiragadhia**
She welcomed the expansion project of M/s. Jindal steel Limited and she personally supported the project.
4. **Sadananda Biswal, Kubhiragadhia**
Welcoming to the Panel & gathering, He expressed his support for the expansion Project of M/s. Jindal Stainless Limited but Simultaneously he told that environment is also Important and requested to take care the better environment of the Periphery Area. He also suggested for better school & colleges by the project proponent. He suggested the project proponent & Govt Administration to take care of cancer patient in their panchayat.

5. **Ritika Jena, Balungan Bandhi**
She supported the proposed expansion.
6. **Sitara Parween, New Siara**
He welcomed the panel and expressed his support for the proposed expansion project of M/s Jindal Stainless Ltd
7. **Krupasindhu Samantray, Dandarpur**
Welcoming the panel and gathering He opposed the Public Hearing of M/s. Jindal Stainless Ltd because schedule of two public hearing in one day and expressed for the Cancellation and suggested to fix on another date because so many villagers didn't know about it. Public awareness was not made among local people so that local people could not give their views.
8. **Diptimayee Ghadei, Mantira**
Welcoming the panel and gathering, she welcomed the expansion project of Plant and requested for Plantation, Health and Education facilities in the industrial area.
9. **Debasmita Das, Danagadi**
She welcomed the panel & supported the expansion of JSL Plant.
10. **Pratap Ch Tarai, Marutikar**
He supported the proposed project and suggested for more plantation around the periphery.
11. **Losubin Bhuyan, Patrangei**
She supported the proposed project and suggested for enhancement of plantation around the periphery.
12. **Sunamani Lenka, Talai**
She welcomed the panel and told that people will get benefitted if the expansion project will come. She also suggested for woman empowerment.
13. **Sitarani Behuria, Pankapal**
She supported the proposed expansion project
14. **Bhagirathi Talai, Tikara**
Welcoming public he told about the CSR activities of the plant for better facility and social development of local peripheral area. He also suggested for woman empowerment and social and financial improvement. He personally supported the proposed expansion of M/s JSL.

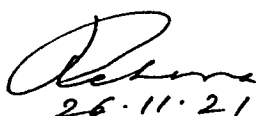

15. **Priyanka Panda, Danagadi**
She supported the proposed expansion project and requested to arrest pollution.
16. **Sasmita Barik, Balungaghati**
She supported the proposed project.
17. **Pritipragnya Behera, Danagadi**
She supported the proposed project
18. **Tilotama Jena, Jakhapura**
She supported the proposed project
19. **Seema Das, Bulighara**
She supported the proposed project
20. **Basanti Ray, Pankapal**
She supported the proposed project
21. **Roland Dalai, Marutikar**
He supported the proposed project and suggested for development of local peripheral villages.
22. **Debendra Ghadei, Manitira**
He supported the proposed project.
23. **Nasrin Kausar, Dhabalgiri**
She supported the proposed expansion project of M/s Jindal Stainless Ltd and suggested for more plantation to arrest pollution.
24. **Sasmita Parija, Jajpur Road**
She supported the project of M/s Jindal Stainless Ltd and our state and country will be more developed.
25. **Chandan Tarai, Tikari**
He supported the proposed expansion project of M/s Jindal Stainless Ltd.
26. **Biswajit Nayak, Jakhapura**
Welcoming the panel & gathering, He made attention to the admistartion and local people regarding public hearing. He asked why industrialization would not happen since the year 1992. He told that every family has brothers and sisters who are now continuing study and all are not financially strong. Every family belongs to lower and middle class family. He thanks to M/s OP jindal group as they preferred to set up steel plant in kalinganagar area. More

development has been done in recent year in Jajpur Road. Danagadi and his own village Jakhapura. Now system has been changed because of industrialization. After industrialization people are getting direct and indirect benefit. Direct benefit has been found in R&R, Rehabilitation and Resettlement policy. Local Oriya people will not get employment because of their own problem as they have not talk properly with the officials of industry and govt administration. Now every local ordinary people will get benefitted because of 5T Governance. He suggested for making environment forum in every villages involving officials of Govt, Industry and local common people. He suggested for forming an environment group in every villages for transparency of environment department. He told that thousands of local boys of jakhapura village are always ready for developmental works such as plantation. He told local people are getting direct benefit but they are not getting indirect benefit properly and he requested to officials of JSL to kindly consider the matter. At last he supported and welcomed the expansion project of M/s JSL.

27. **Basanti Ojha, Mantira**
She supported the proposed project.

The Panel has received 21 nos. of written representations during the hearing which are enclosed herewith in original those have been annexed. Sri Santosh Kumar Mishra, ADM, Kalinganagar asked the project proponent to present their comments to the people with respect to the demands raised by the public in the public hearing meeting. Sri S S Upadhyay of M/s. Jindal Stainless Ltd Limited made the commitment on issued raised by the public. The statement of issues and concern of the public with comments of the applicant prepared in English and odia language are annexed separately. The meeting was ended with thanks to the chair.

STATE POLLUTION CONTROL BOARD, ODISHA

(Department of Forest & Environment, Govt. of Odisha)
Parivesh Bhawan, A/118, Nilakanthanagar, Unit-VIII, Bhubaneswar-751012

No. 16252/

IND-II-PH-950

Date : 25.10.2021

NOTICE

It is brought to the notice of all concerned that M/s Jindal Stainless Ltd. has proposed to have Environmental Assessment for expansion of Crude Steel production capacity from 2.2 MTPA to 4.5 MTPA and Cold Rolling Mill from 1.6 MTPA to 2.6 MTPA within the existing premises at Kalinga Nagar Industrial Complex in Jajpur district to obtain Environmental Clearance from the Ministry of Environment, Forest and Climate Change, Govt. of India. The proponent has applied to the State Pollution Control Board, Odisha, Bhubaneswar for a Public Hearing.

By virtue of Ministry of Environment, Forests & Climate Change, Government of India Notification No. S.O. 1533 (E) Dtd. 14.09.2006, the Board has been authorized to conduct environmental public hearing and as such invites suggestions, views, comments and objections on matters relating to environmental aspects of the proposed project from all the persons including bonafide residents, environmental groups and others located at the proposed site/sites of displacement/sites likely to be affected.

For the above purpose, a person will only mean:

- Any person who is likely to be affected by the grant of Environmental Clearance.
- Any person who owns his control over the project with respect to which an application has been submitted for environmental clearance.
- Any association of persons whether incorporated or likely to be affected by the project and / or functioning in the field of environment.
- Any local authority within any part of whose local limits is within the neighborhood, wherein the project is proposed to be located.

Persons as above who desire to submit their views, comments, objections etc. relevant to the project, may do so in writing within 20 days from the date of publication of this notice addressing the same to the Member Secretary, State Pollution Control Board, Odisha through Registered Post. Besides this, persons interested to submit their views relevant to the proposed mining project in writing or orally may also do so during the public hearing to be conducted on 26.11.2021 at 11.45 A.M. at Danagadi Bhawan, Danagadi under Danagadi RI Circle, Jajpur. Public hearing shall be conducted strictly observing guidelines contained in COVID - 19 pandemic restrictions issued by the MoEF&CC, Govt. of India vide OM No. 22-26-IA, III, dated 09.06.2021 as well as Govt. of Odisha.

Persons who are participating in the public hearing may go through the Environmental Impact Assessment (EIA) Environmental Management Plan (EMP) of the said project which will be available at the following offices. Copy of the Executive Summary both in English & Odia is available in the following offices & the same can also be downloaded from the website www.ospcb.org free of cost.

1. District Collector's Office, Jajpur.

2. District Industries Office, Jajpur.

3. Executive Officer, Zilla Parishad, Jajpur.

4. Member Secretary, State Pollution Control Board, Odisha, Parivesh Bhawan, A/118, Nilakanthanagar, Unit-VIII, Bhubaneswar -12.

5. Regional Officer, State Pollution Control Board, Odisha, Kalinga Nagar, Jajpur.

6. Department of Forests & Environment (Environment), Govt. of Odisha, Bhubaneswar.

For any further clarification on the matter the Regional Officer, State Pollution Control Board, Kalinga Nagar, Jajpur or the Member Secretary, State Pollution Control Board, Odisha at Bhubaneswar may be contacted.
