

PROCEEDINGS OF THE PUBLIC HEARING HELD ON 06.12.2021 (AT 11.00 AM) AT BAITARANI RESERVE FOREST (03 KMS FROM VILLAGE KHANDBANDH AND ABOUT 20 METERS FROM DALPAHAD BASTI UNDER BAITARANI RESERVE FOREST (A) AREA) WITH RESPECT TO ENVIRONMENTAL ASSESSMENT OF KHANDBANDH IRON ORE MINE OF M/S SREE METALIKS LIMITED FOR ENHANCEMENT OF IRON ORE PRODUCTION CAPACITY FROM 0.702 MTPA TO 1.5 MTPA ALONG WITH CRUSHING AND SCREENING PLANTS OVER MINING LEASE AREA OF 35.774 HA. IN BAITARANI RESERVE FOREST NEAR KHANDBANDH VILLAGE UNDER BARBIL TAHASIL OF KEONJHAR DISTRICT FOR ENVIRONMENTAL CLEARANCE.

The public hearing in respect of the project proposed by Khandbandh iron ore mines of M/s. Sree Metaliks Limited for enhancement of iron ore production capacity from 0.702 MTPA to 1.5 MTPA along with crushing and screening plants over mining lease area of 35.774 Ha. in Baitarani Reserve Forest near Khandbandh village under Barbil Tahasil of Keonjhar district was held on scheduled date & time with reference to:

1. EIA Notification S.O 1533 (E) Dtd. 14.09.2006 and Amendments thereafter.

The Panel consisted of the following members:

1. Sushma Bilung, Additional District Magistrate, Keonjhar
2. Shri Puskar Chandra Behera, Regional Officer, State Pollution Control Board, Keonjhar, Odisha

Sushma Bilung, Additional District Magistrate, Keonjhar, supervised & presided over the public hearing process and was assisted by Shri Puskar Chandra Behera, Regional Officer, State Pollution Control Board, Keonjhar, the representative of State Pollution Control Board, Odisha, Bhubaneswar.

At the outset, welcoming the members participated in the meeting, the Regional Officer, State Pollution Control Board, Keonjhar, gave a brief introduction about the guidelines to be followed for the public hearing in the light of EIA Notification, 2006 and interim operational guidelines till date, in respect of the project proposed by Khandbandh Iron Ore Mines of M/s. Sree Metaliks Limited.

Shri Behera explained that the views, comments, objections and opinions of the public are necessary while considering the environmental clearance of the project. He asked the project proponent to make a brief presentation before the public, gathered in the meeting about the various aspects of the proposed project to be undertaken for better awareness of the public. On behalf of the Project Proponent, Sri Satya Sundar Kar, Vice President (Commercial) of M/s Sree Metaliks Limited addressed the committee members and assembled public, and made a brief presentation about the salient features of the proposed project, environmental management, pollution control measures, waste management and various other CSR activities envisaged in the proposed project.

Then Shri Puskar Chandra Behera, Regional Officer, State Pollution Control Board, Keonjhar requested the public to give their views, comments, objections and opinions on the proposed project.

The views expressed by various speakers on the proposed project are as follows:

1) Smt. Tulashi Babonga, Ex-Sarpanch, Present PS Member of K-13, Mereda Panchayat:

She expressed her joy by stating that M/s. Shree Metaliks will enhance their production capacity due to which many poor persons will be able to earn their livelihood and create employment opportunity. She wholeheartedly supported the proposed production enhancement of the mine.

2) Sri Santosh Kumar Bal, Ex- Counselor Bichakundi:

While supporting the production enhancement of the mine, he expressed that due to mining operations many old perennial trees will be destroyed but this can be overcome if we follow the Government's given afforestation guidelines for compensatory tree plantation. At the same time he told that raw material production is a must which adds 10-11% to our annual GDP and now a day's people cannot fully depend upon the cultivation. So, he stressed upon the company authority for direct/indirect employment to affected persons. At the end he requested for providing drinking water, quality education, Central Point Play School, Transportation facilities, regular water sprinkling for dust suppression etc.

3) Sri Abinash Sahu, Ward No.14, Bichakundi:

While supporting the Public Hearing he expressed that with the enhancement of production of the existing mine the businessmen can flourish. At the same time he requested for employment to the persons residing around the radius 5/10 KM and development through CSR activities and take appropriate steps to mitigate the dust pollution.

4) Sri Ullash Chandra Parida, Khandbandh:

He supported the Public Hearing as company is going to enhance its production capacity. He requested for looking after the education, health, sponsoring Govt. sponsored residential education to the poor, repairing of road, one ambulance. He requested to specially focus on health condition of local people by proper counselling.

5) Sri Bikram Das, Ward No.14, Bichakundi:

He supported the proposed production enhancement of the mine and requested for providing facilities like education, drinking water and employment.

6) Sri John Hembrom, Kundurpani:

While supporting the Public Hearing, he expressed that they are depend upon this mines since their God father's period.

7) Smt. Pankajini Giri, Kundurpani:

While supporting the Public Hearing she expressed her happiness as many persons are working in this mine as driver and due to transportation their people can earn their livelihood by selling handia and rasi and opening other shops.

8) Sri Bibek Mishra, Dalpahar:

While supporting the production enhancement of the mine he raised his concern for the bad road condition and dust generation. He requested for water sprinkling on the road. He also requested for providing medical facilities, education as most of the local people are very poor and cannot afford for getting education in private schools. He requested company authority to specially look into upliftment of sports activities and employment.

9) Sri Suresh Patra, Khandbandh:

While supporting the proposed production enhancement of the mine he gave suggestion for basic necessities of the local people:

- As education facilities are not good in the area and no provision of higher education, so he requested to look into this.
- Basic requirements of the existing schools need to be fulfilled by providing teachers.
- He requested for Anganbadi and one play school for the local children so that this will attract them for further higher education.
- Communication facilities to be provided for medical emergencies by providing one Ambulance
- Providing employment
- As the telephone networks are very poor in the area, he requested for providing proper network facilities.

10) Sri Surendra Mohan Sahoo, Khandbandh village:

While supporting the Public Hearing he raised his concern that few years back they were moving in this area fearlessly. There was no pollution concern. So he requested to take appropriate steps for dust control. At the same time he requested for providing education facilities, medical facilities and employment.

11) Sri Anadi Pingua, Khandbandh:

While supporting the Public Hearing he expressed that by enhancing the production capacity will increase the employment opportunities.

- 12) **Smt. Sabita Pradhan, President, Bichakundi Mahila Samiti :**
While supporting the proposed production enhancement, she requested the Company Authority to supply the saplings for plantation in her area and provide employment.
- 13) **Sri Pramod Kumar Behera, Ward No-14, Bichakundi:**
He supported the Public Hearing.
- 14) **Smt. Sujata Naik, Khandabandh Village:**
While supporting the Public Hearing, she requested the company to provide Medical support, Education and Employment.
- 15) **Smt. Lalita Lohar, Ward Member, Khandbandh village:**
While supporting the Public Hearing, she requested the company to provide employment, drinking water and electricity to the local villagers and to construct the roads of their locality. Further she told that since they have no landed property, they depend on Mines for managing their livelihood but because of stoppage of transportation they are facing difficulties. With regard to roads, she requested for repair of road from Khondbond to Jurudi. She also told that the Company should look into their day to day problem.
- 16) **Smt. Laxmi Deogam, Kundurpani:**
While supporting the Public hearing, she stated that Company should fulfill all their demands/grievances.
- 17) **Smt. Kuntala Patra, Dalpahar:**
While supporting the Public hearing, she told that there is no fencing in the bore well and solar panel, so she requested company to provide boundary wall and to provide street light in their villages.
- 18) **Sri Bishnu Lohar, Kundurpani:**
While supporting the Public hearing, he requested the company to provide bus facility, supply of drinking water and sports activities.
- 19) **Sri Pradumna Kumar Behera, Ward No:14, Bichakundi:**
He supported the Public hearing.
- 20) **Sri Rasika Birua, Khandbandh:**
He demanded the company for employment.
- 21) **Smt. Rajani Naik, Kundurpani:**
While supporting the Public hearing, she requested for construction of road, providing lady teacher to their school, bus for school going children and an ambulance as the patients are facing difficulties while shifting to Joda for better medical treatment.

22) **Sri Shyam Sundar Samasi, Khandbandh village:**

While supporting the public hearing wholeheartedly, he told that 7 years back Public hearing was conducted at this locality and they supported it. He further told that unemployment is the prime concern of this locality. So, with the operation of the Mines, unemployment problem will be solved and there will be all round development of these areas. He requested for providing employment as per their educational qualifications.

The Panel received **03 nos.** of written representations of the local people demanding different facilities in the locality during the hearing which are enclosed herewith in original.

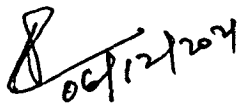

Observation:

The overall opinion of the public about the proposed project was favorable. However, the local people have some aspirations as laid down in their deliberations.

Shri Puskar Chandra Behera, Regional Officer, State Pollution Control Board, Keonjhar & representative of State Pollution Control Board, Odisha prepared the summary of the public hearing proceedings accurately reflecting the views and concerns expressed by the speakers with the inclusion of comments of the applicants, read over to the audience at the end of the proceedings explaining the contents in Odia language and the agreed minutes of public hearing meeting is prepared. The statement of issues and concerns of public with the comments of applicants, prepared in Odia and English language is annexed as per Annexure- I & II. List of participants is annexed as per Annexure- III.

The President of Public Hearing, Sushma Bilung, Additional District Magistrate, Keonjhar ratified the minutes of meetings with the views and demands of public. She extended her vote of thanks to the public for rendering their co-operation for smooth operation of the public hearing.

The meeting ended with a vote of thanks to the chair and the participants.

STATEMENT OF ISSUES AND DEMANDS RAISED BY THE PUBLIC AND COMMITMENT OF THE PROJECT PROPONENT DURING THE PUBLIC HEARING HELD ON 06.12.2021 (AT 11.00 AM) AT BAITARANI RESERVE FOREST (03 KMS FROM VILLAGE KHANDBANDH AND ABOUT 20 METERS FROM DALPAHAD BASTI UNDER BAITARANI RESERVE FOREST (A) AREA) WITH RESPECT TO ENVIRONMENTAL ASSESSMENT OF KHANDBANDHA IRON ORE MINE OF M/S SREE METALIKS LIMITED FOR ENHANCEMENT OF IRON ORE PRODUCTION CAPACITY FROM 0.702 MTPA TO 1.5 MTPA ALONG WITH CRUSHING AND SCREENING PLANTS OVER MINING LEASE AREA OF 35.774 Ha. IN BAITARANI RESERVE FOREST NEAR KHANDBANDH VILLAGE UNDER BARBIL TAHASIL OF KEONJHAR DISTRICT FOR ENVIRONMENTAL CLEARANCE.

Issues raised by Public	Commitment of the Project Proponent
The issues raised at the public hearing meeting are the following:	Sri Satya Sundar Kar, Vice President (Commercial) of M/s Sree Metaliks Ltd. in his reply to the issues raised during the public hearing stated as below:
➤ Developmental work in local villages	Shri Satya Sundar Kar, V.P of the Company said that he is agreed with the proposals placed by the local villagers regarding developmental work of local villagers under CSR activities and assured to fulfill the related demands.
➤ Welfare activities	Shri Kar said that the road connected from Khandbandh to Juudi will be developed, drinking water facilities and electricity will be provided to the local villagers.
➤ Air Pollution Control	Sri Kar said that adequate steps will be taken by the mine for dust suppression in the transportation road. He said that dust generated during movement of vehicles and due to blowing of wind will be minimized by water sprinkling.
➤ Health	Regarding health he assured to provide an ambulance for giving 24 hours service to the local villagers.
➤ Supply of saplings to SHG group	Shri Kar said that they also have keen interest to distribute the saplings to the SHG group and they will distribute the saplings very soon.
➤ Sports	He assured to provide all assistance required by the villagers for development of sports.

➤ Plantation	Shri Kar said that adequate plantation will be done inside and outside the mine. The mine has already done some plantation inside & outside the mine. He also assured that the mine will carry out more plantations further.
➤ Education	He assured to provide a play school within 2 to 3 years after getting a suitable place in the village and after obtaining permission from the Government. Moreover, he assured that the mine will take adequate steps to promote the higher education process and also said that regarding provision of two more numbers of teachers in the school the mine will definitely look after it.
➤ Telephone Network	Shri Kar said that the mine will take care of the telephone network issues so that the local people will not face the problem.

STATE POLLUTION CONTROL BOARD, ODISHA

(Department of Forest & Environment, Govt. of Odisha)
 Paribesh Bhawan, A/118, Nilakanthanagar, Unit-VIII, Bhubaneswar-751012

No. 16858/

IND-1-PH-939

Date: 01.11.2021

NOTICE

It is brought to the notice of all concerned that M/s Sree Metaliks Ltd. has proposed to have Environmental Assessment for Khandbandh Iron Ore Mines for enhancement of Iron Ore production capacity from 0.702 MTPA to 1.50 MTPA along with Crushing and Screening Plants over ML area of 35.774 ha. in Baltarani Reserve Forest near Khandbandh village under Barbil tehsil of Keonjhar district to obtain Environmental Clearance from State Environment Impact Assessment Authority (SEIAA), Odisha. The proponent has applied to the State Pollution Control Board, Odisha, Bhubaneswar for a Public Hearing.

By virtue of Ministry of Environment, Forests & Climate Change, Government of India Notification No. S.O. 1633 (E) Dtd. 2.09.2006, the Board has been authorized to conduct environmental public hearing and as such invites suggestions, views, comments and objections on matters relating to environmental aspects of the proposed project from all the persons including bonafide residents, environmental groups and others located at the proposed site/sites of displacement/sites likely to be affected.

For the above purpose a person will only mean:

- A. Any person who is likely to be affected by the grant of Environmental Clearance.
- B. Any person who owns his control over the project with respect to which an application has been submitted for environmental clearance.
- C. Any association of persons, whether incorporated or likely to be affected by the project and/or functioning in the field of environment.
- D. Any local authority, within any part of whose local limits is within the neighborhood wherein the project is proposed to be located.

Persons as above who desire to submit their views, comments, objections etc. relevant to the project, may do so in writing within 30 days from the date of publication of this notice addressing the same to the Member Secretary, State Pollution Control Board, Odisha through Registered Post. Besides this, persons interested to submit their views relevant to the proposed mining project in writing or orally may also do so during the public hearing to be conducted on 06.12.2021 at Baltarani Reserve Forest (03 Kms from village Khandbandha) and about 20 kms from Balparaad Basti under Baltarani Reserve Forest (A Area), Khandbandh village, Keonjhar district. Public hearing shall be conducted strictly observing guidelines contained in GOVD-19 pandemic restrictions issued by the MoEF&CC, Govt. of India vide OM No. 22-25-IA-III, dated 09.06.2021 as well as Govt. of Odisha.

Persons desirous of participating in the public hearing may go through the Environmental Impact Assessment (EIA) Environmental Management Plan (EMP) of the said project which will be available at the following offices. Copy in the Executive Summary both in English & Odia is also available in the following offices & the same can also be downloaded from the website: www.spcbboard.org free of cost.

- 1. District Collector's Office, Keonjhar.
 - 2. District Industries Center, Keonjhar.
 - 3. In the office of the Chief Executive Officer, Zilla Panchayat, Keonjhar.
 - 4. In the Head office of the State Pollution Control Board, Odisha, Paribesh Bhawan, A/118, Nilakanthanagar, Unit-VIII, Bhubaneswar.
 - 5. Regional Office, State Pollution Control Board, Odisha, Keonjhar.
 - 6. Department of Forest & Environment (Environment), Govt. of Odisha, Bhubaneswar.
- For any further clarification in this matter, the Regional Officer, State Pollution Control Board, Keonjhar or the Member Secretary, State Pollution Control Board, Odisha at Bhubaneswar may be contacted.
