The following speakers gave their views on the above said project, which are given as follows:

1. **Sri Samir Kumar Panda, Secretary Bayalish Mouza Durga Puja Committee, Cuttack :**

He welcomed the dignitaries and public present in the meeting. He said that the sand quarry will operate and government will get revenue but due to its operation problem should not occur. There should not be problem on road, pollution should be controlled, accident should not be happened and the vehicles movement should done in a proper way so that public should not face any problem. He requested the administration to take care of the issues of blockage of road by Cattles. He also requested to administration that the sand quarry will provide help to their Dutga Puja committee. He mentioned that the possibility of conversion of land to Gharabari has been stopped in this area and if it will not be done than where the sand will be used. He requested the administration to look into the issues of land conversion, traffic management and cooperation to be provided for their Puja committee.

2. **Sri Meghanath Das, Representative of Sarpanch of Brahmapur Gram Panchayat:**

He welcomed the dignitaries and public present in the meeting. He said that the public hearing is done for the benefits of public. So the public opinions are taken before the operation of the Brahmapur sand bed mine. He mentioned that if the sand quarry will operate than poor people will get sand easily for construction of house under Pradhanmantri Abas yojana, Mo Kudia, Mo Pakka Ghar etc. and this is the main objective of Government. Further government will get revenue from the sand quarry and it will be used for the benefits of the public. He also intimate that road is narrow and cattle are sleeping on both sides of road so the issues need to be solved and accidents not to be happened. He informed that if the raised issues are solved than they have no objection if the sand quarry will operate.
