Then Er. Rashmita Priyadarshini, Regional Officer, State Pollution Control Board, Cuttack requested the public to give their views, comments, objections and opinions on the proposed project.

The following speakers gave their views on the above said project, which is given as follows:

1. Sri Samir Parida, Naranapur:

He welcomed the dignitaries and public presented in the meeting. He said the level of sand on the river bed is higher than their cultivated land and there are chances of entering of river water into their land during flood so the sand is required to be excavated. Further he stated if the sand mine will be operated then they will get sand at lower price.

2. Sri Girish Dalei, Naranapur:

He welcomed the dignitaries and public presented in the meeting. He said that no sand mine is operated presently in the Badamba area. He said the sand from this area should be lifted as the river bed is at higher than their village and therefore river water was entered to their cultivated land during last year. Furtherhe stated as sand will be transported by tractor so the chances of pollution will be less.

3. Sri Bijay Dalei, Naranapur:

He welcomed the dignitaries and public present in the meeting. He said that they are getting sand from distance area at higher price due to non-operation of sand mine in this area. So, if the if the sand mine will be operated they will be benefited.

4. Sri Sanjay Kumar Dalei, Naranapur:

He said sand from the river bed is required to be lifted as deposition of sand on river bed is high. He wanted to know about the provision of expenditure for the development work of their village.

At the outset total 04 Nos. of people had registered their names to express their views, comments etc. and deliberated their views accordingly. Total 39numbers of public present in the meeting have signed the attendance sheet. Sri Hemanta Kumar Swain, OAS(S), Sub-collector, Athagarh was present and he addressed the gathering in the meeting.
