PROCEEDINGS OF THE PUBLIC HEARING MEETING OF BASUPALI CLUSTER STONE QUARRY OVER AN AREA OF 9.67 HA IN BASUPALI VILLAGE UNDER BALANGIR TAHASIL OF BALANGIR DISTRICT HELD ON 04.03.2022 AT 11.00 A.M AT BASUPALI SCHOOL, DIST: BALANGIR

Sri Mahendra Mahapatra. OAS(S), Additional District Magistrate, Balangir presided over the meeting along with Er. Ramesh Kumar Ekka, Regional Officer, State Pollution Control Board, Odisha, Balangir.

At the outset, Regional Officer, State Pollution Control Board, Balangir welcomed the public present in the meeting and briefed them about the objective of the public hearing being conducted under provisions of EIA Notification No. S.O. 1533(E) of Dt.14<sup>th</sup> September 2006 of the Ministry of Environment and Forests & Climate Change (MOEF & CC), Government of India. He also informed that the date, time and venue for conducting the Public Hearing Meeting for Basupali Cluster Stone Quarry over an area of 9.67 Haby the Tahasildar, Balangir (the Project Proponent); which was duly advertised in Odia daily "Dharitri " dtd.30.01.2022 and in English daily "The Sunday Times" dtd. 30.01.2022. The paper clippings are enclosed as Annexure-1).

The Addl. District Magistrate has also briefed about the proposed project and requested the public who were present in the public hearing meeting to express their opinions and views on the proposed project. He also requested the representative of the proposed project to highlight about their proposed project before the public.

On behalf of the Basupali Cluster Stone Quarry approach), Sri Harekrishna Rout, Addl. Tahasildar, Balangir addressed the public during the public hearing meeting and Sri Narayana Chandra Naik, representative of M/s. Green Circle, INC. (Consultant) briefly explained about the proposed project as described below:

- 1. It was informed that the total proposed project area is about 9.67Ha. of land which includes 2 nos. of cluster stone quarries located within 500-meter radius. It has been projected that the total production by these quarries will be around 112166 cum during 5 years of mining.
- 2. The mining process includes semi mechanized way of mining of stone using jack hammer, compressor, hydraulic excavator machine with drilling and blasting.
- 3. During blasting precautionary measures shall be taken up as per requirement. Prior information/proclamation to the local villagers before blasting shall be made and blasting in mines to be taken up once in a week with controlling measures such as dust suppression through water sprinkling arrangement. Besides, the blasting shall be carried out following certified procedure as per adhering information on explosive used for blasting.

- 4. It was informed that the consultant has done prior samplings and analysis of air, water, soil and noise within 10 km radius of the proposed project area and all the values are well within the norms.
- 5. During operation of mines there will be generation of dust, water and noise pollution to the surrounding areas, which shall be taken care of adequately by the project proponent.
- 6. To minimize dust pollution water sprinkling arrangements on haulage and connecting roads and plantations on road sides shall be taken up.
- 7. It was informed that the mining shall be taken up 6 meters above ground water level (gwl ≈ 15 to 20M), so that the ground water level will not be affected by the mining activities.
- 8. Company authority will provide direct and indirect employment to the local people pertaining to their educational qualifications in the proposed project.

Thereafter, the Addl. District Magistrate invited the public to offer their views on environmental related issues on the establishment of the proposed project.

About 40-50 peoplefrom surroundinglocal villages have attended the public hearing meeting; out of which15have signed the attendance sheet which is annexed asAnnexure-II. Also09 persons have registered their name to deliver views during the public hearing (Annexure-III).

Statements of the public as stated/deliberated& recorded during public hearing meeting are placed below

	meeting are placed below
SI.	Participant Name and Statement/deliberation
No.	as recorded on the proposed project.
1.	Sri Suresh Sethi, Basupali:
	He supported the proposed project.
2.	Sri Sekhar Patel, Basupali:
	He welcomed for the operation of the stone quarry.
3.	Sri Sushant Gibela, Basupali:
	He welcomed for the operation of the stone quarry.
4.	Sri Girish Bhue, Basupali:
	He supported the proposed project. He stated that water sprinkling arrangement
	shouldbe provided by the mining authority on the roads to suppress fugilive dust
	emission.
5.	Sri Ganesh Pradhan, Basupali:
	He supported the proposed project.
6.	Sri Parameswar Majhi, Asurdungri:
	No comment.
7.	Sri Saroj Bariha, Basupali:
	He supported the proposed project. He stated that water sprinkling arrangement
	should be provided by the mining authority on the roads to suppress fugitive dust
	emission.
8.	Sri Ramesh Majhi, Asurdungri:
	He welcomed for the operation of the stone quarry.
9.	Sri Dinesh Karan, Basupali:
	He welcomed for the operation of the stone quarry.

After completion of the deliberation process, Regional Officer summarized the points raised by the participants during the public hearing and read out before the public. The same in English and Odia (vernacular language) are enclosed as *Annexure-IV* (A & B).

At the end the Addl. District Magistrate invited the representative of the project proponent to address the points raised by the participants in the public hearing meeting. Addl. Tahasildar, Balangir, responded in brief on issues and grievances raised by the participants which are annexed (*Annexure-V* (A& B) in English and Odia (vernacular language). The video recording of the entire proceeding of the public hearing is enclosed (Compact Disc - CD).

After the above-mentioned deliberations, Regional Officer has proposed the vote of thanks to the Chair as well as to the Participants present in the public hearing meeting. The Addl. District Magistrate has announced the completion of public hearing meeting of the proposed project.

The meeting ended with vote of thanks to the Chair.
