- Executive summaries along with paper clippings regarding date, time, and venue of public hearing were made available to the Kaithakhandi Gram Panchayat, Phasiguda Gram Panchayat, Bhismagiri Gram Panchayat and the Block Development Office, Digapahandi in the Dist. of Ganjam.

The Regional Officer, State Pollution Control Board, Berhampur requested the audience to give their opinions orally, written or in both, based on the Environmental aspects. Then he requested the Addl. District Magistrate, Ganjam, Sri Priyaranjan Prusty, O.A.S to kindly preside and supervise in the public hearing.

The Addl. District Magistrate, Ganjam, welcomed the people for attending the hearing with a message to the audience that they should give their comments based on the Environment related aspects. He briefed about the project and elaborated the objective of conducting public hearing in respect of any project seeking Environmental Clearance. Then he asked the Project Proponent of Jalameripalli Sand Quarry to brief about the project.

They was

h

Sri Amaresh Rath, representative of Smt. Laxmi Sethi, presented the salient features of the proposed Jalameripalli Sand Quarry, the present status of the environmental conditions, possible impact on the environment due to such activities and the remedial measures to be undertaken by the lessee to reduce the impact while executing the project in Odia language.

The Addl. District Magistrate. Ganjam, invited the public to offer their views, objections, opinions, comments and suggestions regarding the proposed project, specifically relating to environmental issues. About 30 persons were present in the public hearing meeting, only 23 nos. of persons signed in the attendance sheet, out of which 05 persons participated in the oral deliberation and signed in the oral deliberator's sheet. No written representations were received in the hearing. The attendance sheets and the Deliberator sheets are enclosed as **Annexure-I** and **Annexure-II** respectively.

The statements recorded are as follows:

1. Sri Mohan Biswal, At- Jalameripalli, Digapahandi

He apprehended that due to mining of sand there will be damage to stone pitched river embankment during flood and villagers will face various difficulties. Therefore excavation of sand shall not be allowed.

2. Sri Harikrushna Routa, At-Jalameripalli, Digapahandi

He stated that they have no objection for this proposal however the lessee shall transport the sand only during day time i.e. from 6.00 AM to 6.00 PM and there shall not be any transportation during night hours. He further added that the lessee shall also protect environment.

3. Sri Gurudev Panigrahy, At- Jalameripalli, Digapahandi

He stated that, they have no objection for this proposal if transportation will be allowed during day time only. Further he added that this project will help local villagers as sand will be easily available to them for construction works.

4. Sri Sunil Pradhan, At-Jalameripalli, Digapahandi.

He supports this project proposal however he demanded that the Administration should take steps to protect existing stone pitched river embankment. He further apprehended that due to sand excavation river embankment may be damaged which will cause problem to the villagers during flood.

5. Sri Mitu Biswal, At-Jalameripalli, Digapahandi

He stated that due to mining of sand ground water level is getting depleted which affects the drinking water sources. Further he demanded for plantation, to take steps to control dust pollution during transportation and take steps for protection of environment.

Further the Addl. District Magistrate, Ganjam and Regional Officer, State Pollution Control Board, Berhampur also discussed on issues raised by the public and requested to the Project Proponent of Jalameripalli Sand Quarry of Smt. Laxmi Sethi to address the issues raised by the local public. Sri K. Sethi, representative of Smt. Laxmi Sethi addressed the apprehensions raised by the public.

Er. Deepak Kumar Sahoo. Regional Officer. State Pollution Control Board. Berhampur & representative of State Pollution Control Board. Odisha prepared the summary of the public hearing proceedings accurately reflecting the views and concerns, expressed by the oral deliberators. The minutes of the public hearing were prepared which has been ratified by Sri Priyaranjan Prusty, O.A.S, Addl. District Magistrate (Rev). Ganjam with the views and concerns of the deliberators. The video recording of the entire public hearing is enclosed herewith for ready reference.

The statement of issues and concerns of public with the comments of the project proponent, prepared in Odia and English Language are annexed as **Annexure-III** and **Annexure-IV** separately.

The public hearing was ended with vote of thanks by the chair.
