The copy of the statement of the industry read out at public hearing proceedings is enclosed.

Regarding public hearing of Brahmani River Sand Quarry, Kantapal over an area of 5.06 Ha in village Kantapal under Kamakhyanagar Tahasil of Dhenkanal District was publicized at one English Daily newspaper and one Odia daily newspaper before one month. It was also publicized at the office notice Board of Kamakhyanagar Gram Panchayat Office, Tahasil Office Kamakhyanagar, Zilla Parisad Member, Kamakhyanagar, Block Chairman Office, Kamakhyanagar and local villages of Kantapal. Public hearing also publicized through loud speaker at the Kantapal village area.

Dr. Anup Kumar Mallick, Regional Officer, State Pollution Control Board, Regional Office, Angul & representative of State Pollution Control Board Odisha then invited the public to present their views about the proposed project on environmental consideration.

The views expressed by various speakers are as follows:

01	Sri Bhramarbar Sasamal, Kantapal village
	He welcomed the public hearing and expressed that the villagers are mostly poor and depends on cultivation. Due to shortage of sand in that area villagers are purchasing sand @Rs. 4000/- per cft. He expressed that sand is highly necessary. He expressed his views in support of the proposed sand mining project.
02	Sri Bijay Kumar Dehury, Sabhapati, Kantapal village
	He welcomed the gathering of the public hearing and also welcomed the proposed sand mining project. He expressed that villager only informed yesterday about the public hearing. He said that 90% of villager's poor category

	<p>and depends on cultivation. Sand mining project is highly necessary. He expressed that the proposed sand mining project will lead to development in the area and also for locals. He urged to the District Administration that with the proposed sand mining project the lessee shall provide sand to the villagers either minimum reasonable price or free of cost. He urged to the panel members that before starting sand mining activity the district shall demarcate the approach road from Kantapal village to sand mining area of Brahmani River and it shall be properly developed with both side plantation. As per his knowledge earlier sand loaded trucks were plying through private plots. He also requested to maintain the approach road by the concerned lessee so that sand loaded trucks could able to ply smoothly.</p>
03	<p>Sri Fanibhusan Mahakud, Kantapal village</p> <p>He expressed that due to very high price of sand the villagers are not able to do their in-house civil works. Due to scarcity of sand local contractors are facing problems in respect to Government construction projects. He expressed that the proposed sand mining project will lead to development in the area and also for locals. He expressed that the lessee should start its mining activity as soon as possible. He mentioned that with the sand mining project operates, the local villagers should supply sand with a reasonable price. He requested to the lessee to contribute some funds to the village committee for different CSR activity. He also requested to maintain the approach road by the concerned lessee so that sand loaded trucks could able to ply smoothly and this process shall complete before tendering process. He urged to the District Administration that during sand mining activity the mine proponent should follow the guideline in all respect, local employment, covering of trucks and to ensure that sand mining is done in environmentally sustainable and socially responsible manner. He expressed his views in support of the proposed sand mining project.</p>
04	<p>Sri Sanjay Kumar Behera, Kantapal village</p> <p>He expressed that demarcation of road is highly necessary. They do not know which plot is government land and which land is private. He expressed that villager only informed yesterday about the public hearing. With the very small</p>
