before the public gathered in the meeting about the various aspects of the proposed project to be undertaken for better awareness of the public.

On behalf of the project proponent, Sri Chintamani Samal addressed the panel members and the assembled public. He made a brief presentation about the salient features of the proposed project, environmental management, pollution control measures, waste management, afforestation programme and various other CSR activities envisaged in the proposed project.

Then Er. Rashmita Priyadarshini, Regional officer, State Pollution Control Board, Cuttack requested the public to give their views, comments, objections and opinions on the proposed project.

The following speakers gave their views on the above said project, which is given as follows:

1. Sri Dasharathi Behera, Tunapur:

He said that the villagers do not want the sand mine to be operated.

2. Sri Kishore Kumar Sahoo: Tunapur

He raised his concern that due to sand lifting the river bank is getting damaged and it is a threat for their village. He said there is no need of sand quarry in this area.

3. Sri Sanatan Choudhury, Tunapur:

He said opinions of all villagers are same. He said due to lifting of sand ditches are formed for which the dykes are not safe during flood. He stated if there was proposal for operation of the sand mine then why plantation was not done initially and how environment will be protected. After sand mining who knows plantation will be done or not. He said everything will be recorded in the file only. So, they do not want the sand mine to be operated.

Total 03 Nos. of people had registered their names to express their views, comments etc. and deliberated their views accordingly. About 14 nos. of people were attended the public hearing meeting and signed the attendance sheet.
