He was concerned for the unemployment, environment degradation & plantation in his village area and seeks proper solution to mitigate the above issue.

16. **Mr. Chandan Patra (Dasamania G.P)**

He greeted everyone & expressed his support to the project. He was concerned that the nearby villages should be recruited as local workers for plant activities.

17. **Mrs. Renubala Pradhan (Telibahali G.P)**

She greeted the panel member and gathering. She shared her experience mentioning that she was aware of the public hearing commitments made by the industries in the past. However the employment in her neighborhood villages has not benefited. She asked that local employment possibilities and peripheral development projects should be given priority. Lastly she welcomed the project.

18. **Mr. Krushna Chandra Pal (Mantira G.P)**

He greeted everyone & expressed his support to the project. He urged that local employment prospects should be followed based on their educational backgrounds and expressed his concern about pollution control measures and asked the plant authority to follow the Rules and Regulations of the Pollution Control Board.

19. **Mr. Deepesh Kumar Ghadai (Sarpanch, Mantira G.P)**

He expressed his support to M/s Beekay Utkal Steel Pvt. Ltd. Project. He told the plant authority to focus on two things: employment and taking adequate precautions to mitigate environmental pollutions.

20. **Mr. Pandu Singh Khuntia (Sarpanch, Chandia G.P)**

He greeted everyone & expressed his full support to M/s Beekay Utkal Steel Pvt. Ltd. project. He requested that the agreements made in the memorandum between the company and the state government should be carried out. Additionally, he requested that the district administration should focus the five nos. of villages on top priority basis when hiring contractors and providing employment. He also highlighted that activities for peripheral development must be equally shared between chandia panchayat and other panchayats.

21. **Mr. Budhiram Jarika (Samiti Sabhya, Chandia G.P)**

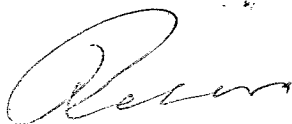

He greeted everyone & expressed his support to the project. He demanded the plant authority to provide jobs or other works in development projects.

He greeted everyone & expressed his support to the project.

23. **Mr. Pratap Kumar Natia (Golagaon G.P)**

He greeted everyone & welcomed M/s Beekay Utkal Steel Pvt. Ltd. project. He requested for local employment and contractor work during construction phase.

24. **Mr. Sankar Mallick (Jakhapura G.P)**

He welcomed the panel member and gathering. He claimed that the location where M/s Beekay Utkal Steel Pvt. Project will be established, it was the property of 150 no. of families once lived, thus they should be given employment preference. He welcomed the project and the contractors' commitment to hiring locals. Lastly he urged the Collector, Jajpur to offer rehabilitation scheme as similar to what Tata Steel Ltd. was provided earlier.

25. **Mr. Braja Mohan Jena (Jakhapura G.P)**

He opposed the M/s Beekay Utkal Steel Pvt. Ltd. project because there are no facilities available for water supply to the affected villagers, even though already established of plant clusters have not fulfilled the same.

26. **Mr. Umesh Chandra Khilar (Manitra G.P)**

He greeted the panel member and gathering. He asked for fulfilling the commitments of providing employment, contract work for locals & peripheral development of nearby villages.

29. **Mr. Bhaskar Satapathy (Pankapal G.P)**

He greeted everyone & expressed his support towards M/s Beekay Utkal Steel Pvt. Ltd. project. He asked M/s Beekay Utkal Steel Pvt. Ltd. authority to provide local opportunities equally to the five villages and to prioritize environmental concerns.

30. **Mr. Manmath Satpathy (Pankapal G.P)**

He greeted everyone & expressed his full supported towards M/s Beekay Utkal Steel Pvt. Ltd. project. He asked M/s Beekay Utkal Steel Pvt. Ltd. authority to provide local opportunities & contract work for locals equally to the five villages.

31. **Mr. Dillip Kumar Samal (Pankapal G.P)**

He greeted everyone & expressed his full supported towards M/s Beekay Utkal Steel Pvt. Ltd. project. By expressing his fear, he mentioned that as the number of plants increased in Kalinganagar area, so there would be significant increase in pollution load. The responsible authority must regulate how the pollution potential for this specific plant shall be controlled. He believed that there could be significant problems with the discharge of plant waste water due to the plant's proposed location being near to a natural runoff and passed by the villages of Chasia, Manitira, Jakhapura, and Umira Panchayat. Therefore, the plant wastewater discharged must be restricted to natural runoff contamination as this natural flow is utilized in various ways by the five panchayats. Finally he suggested that afforestation to be done with regard to the land acquired by the industry.

32. **Mr. Priyabarta Lenka (Pankapal G.P)**

He greeted everyone & expressed his full support towards M/s Beekay Utkal Steel Pvt. Ltd. Project.
