Smt. Susama Bilung, OAS(S), Additional District Magistrate, Keonjhar presided over and supervised the public hearing. She briefed about the importance and objectives of such hearing and invited the project proponent to highlight on proposed project.

Sri Prashant Biswal, General Manager(CSR) of the mine explained about the proposed project and briefed about the Pollution Control measures to be adopted in the mine.

The following is the summary of the public hearing proceedings, reflecting all the views and concerns expressed by the assembled public at the venue. It was recorded by the officials of the Regional Office, State Pollution Control Board, Odisha, Keonjhar.

**1. Smt. Parbati Munda, SHG President, Gandhalpada**

Smt. Parbati while speaking in favour of the public hearing of M/s.JSW, demanded to make necessary arrangements for medical check-up of pregnant women, construction of road, supply of drinking water and solar street light. Further, she demanded for employment to every family, income-oriented skill development training to SHG for income generation, drinking water facility and dust free environment of Guali Panchayat.

**2. Smt. Basmati Munda, SHG President, Gandhalpada**

Smt. Basmati supported for expansion of the mines. She demanded for providing employment to ladies, gents and widows of Gandhalpada village, school teachers, necessary security arrangement at NH to avoid road accidents, attention need to be given for income generation of SHG group & door to door supply of drinking water through pipeline.

**3. Smt. Umarani Das, SHG President, Ward No:7, Guali**

Smt. Umarani while supporting the public hearing demanded for employment to the youths as well as to Mission Shakti members and to provide a house for mushroom cultivation.

**4. Smt. Gita Patra, Ward No:7, Guali**

Smt. Patra while supporting the public hearing expressed that M/s.JSW has provided them all facilities like supplying of drinking water, Medical and Ambulance. She only demanded employment for every family as per the qualifications.

**5. Smt. Nandini Patra, Ward No 7, Guali:**

Smt. Patra while speaking in favour of the public hearing demanded a club room for Patra Samaj, provision of employment, roads & drainage system, drinking water facility, toilet to every house, Medical, Ambulance, Street Light, Construction of Maa Laxmi Temple, Provision of school bus and playground.

**6. Sri Juria Munda, Gandalpada**

Sri Munda while speaking in favour of public hearing stated that M/s. JSW came to this area two years back for their mining operation activities. During this two years of time period, the company has taken some developmental jobs like providing support to Maa Tarini SHG Group for leaf plate selling, constructed toilet rooms in Gandhalpada schools, provided paly materials and food items to the Anganbadi Kendra, arranged drinking water through solar system and helped Maa Tarini SHG group etc. He expressed his happiness by stating that he has never seen such development in 50 years. He hoped that the company will maintain this type of developmental jobs in future also. He demanded for providing schoolteachers, necessary pollution control measures like dust and parking facility at entry points at NH to avoid accident.

**7. Ms. Suman Munda, Ward Member, Ward No-6, Guali**

Ms. Suman while supporting the public hearing expressed that since last one and half years she worked with JSW company and she has observed that the company has provided school bus and drinking water. Further, she requested for employment to the less educated youth. She also said that during her tenure in JSW company she has observed that the company has fulfilled all the needs of the villagers.

**8. Ms. Renuka Patra, Nuagaon**

Ms. Patra while supporting the public hearing expressed that JSW Company has come to this area since last two years for operation of mining activities. Since then, the company has taken up many developmental jobs like supply of drinking water, providing ambulance, school bus, streetlight etc. He demanded for employment to unemployed youth according to their qualifications.

**9. Smt. Laxmi Karua, Ward No. 6, Guali**

Smt. Karua while speaking in favour of the public hearing stated that Company should take proper measure for reducing dust, providing employment according to their qualifications and necessary help to SHG group for their development.

**10. Smt.Reena Rani Lohar, Guali**

Smt. Reena Rani while speaking in favour of the public hearing stated that many developmental jobs in some area have been taken up by M/s. JSW Company like bore well, Ambulance facility, Bus for school children and provided dust bin in various places.

**11. Sri Prashant Ku Patra, Guali**

While speaking in favour of the Public Hearing, He stated that three things are essential to develop any area which is Education, Work/Employment and Medical facilities. He thanked JSW Company for providing bus for the school and college students to improve education system. With regard to employment, he stated that about 60% people have got employment and rest 40% people have not got any employment. Hence, he requested the Company to give attention for 100% employment. With regard to Medical, he stated that Company has already provided free medical treatment, free medicine and ambulance facilities.

**12. Sri Padan Patra, Ex-Member, Guali**

Sri Patra spoke in favour of the public hearing. He stated that he will not repeat the points already raised by the previous speakers. He stated that during the last two years operation by M/s.JSW it has transported left out ore of M/s. KJS Ahluwalia, but during that time no employment was given to the villagers. He also stated when Thriveni Earth Mover's winded up its operation, few persons were given employment as per the list provided by them to M/s.JSW and rest persons have not been provided any employment. Therefore, he requested the JSW management to provide employment to the left-out employees and simultaneously shall also provide employment to the fresh candidate. He requested for interaction and cooperation with the local people. Further he told that due to mining operation, trees will be cut and as per Govt's guidelines, ratio of 1:10 should be planted. Hence, he requested the Company for massive tree plantation.

**13. Smt. Parbati Patra, Ward No. 7, Guali**

Smt. Patra while speaking in favour of the public hearing stated that M/s. JSW has already provided them the drinking water, Street light, medical facility, ambulance and school bus in Guali. She demanded only for employment so that they can manage their livelihood.

**14. Smt. Gitanjali Das, Guali**

Smt. Das while speaking in favour of the public hearing stated that all the developmental jobs have been taken up by the Company.

**15. Smt.Susmita Patra, SHG Secretary, Ward No.5, Guali**

Smt. Susmita while speaking in favour of the public hearing said that school bus for Sishu Mandir school children has been provided by the Company. She only demanded for employment to everybody either educated or uneducated persons as per their eligibility.

**16. Sri Kalandi Charan Naik, Panduliposhi**

Sri Naik while supporting the public hearing expressed that five persons from each village shall be taken By M/s. JSW. Company should work here in the project with the local people not with Politicians.

**17. Smt. Rashmi Priya Patra, SHG President, Guali Panchayat**

Smt. Patra while supporting the public hearing requested for employment to the unemployed youth.

**18. Smt. Mani Munda, Kendudihi**

Smt. Munda supported the public hearing and submitted the written memorandum of their demands.

**19. Smt.Lilabati Bankula, Ward No.5, Guali Basti**

Smt. Bankula supported the public hearing. She stated that few people of their area have been working here and after expansion of the Mining Operation, more people will get employment. M/s. JSW company has done many development jobs like, providing School bus, Anganbadi Kendra &also providing table, chairs, streetlight, supplying drinking water etc. Hence, she called for massive support for JSW for their overall development.

**20. Sri Harihar Patra, Guali**

Sri Patra supported the public hearing.

**21. Sri Prafulla Munda, Gandhalpada**

Sri Munda while supporting the public hearing stated that school bus has been provided to Gandhalpada village. He demanded for a statue of Birsha Munda for Adivasi people. He said that among the people who were working in the previous company few of them have already been engaged by M/s. JSW and requested for engagement of rest of the people.

**22. Smt. Sasmita Patra, Guali Basti**

Smt. Patra while supporting the public hearing demanded for employment to the unemployed youth.

**23. Smt Laxmipriya Das, Guali Basti**

Smt. Das while supporting the public hearing stated that solar light and drinking water supply have been provided by the Company. She requested for employment and replacement of damaged sintex tanks and for providing good quality pipes.

**24. Sri Gajendra Barik, Gandhalpada**

Sri Barik while supporting the public hearing stated that the company has started its operation since last two years and their issues are being solved slowly. After expansion of the project, company should take more developmental jobs and requested for appointment of additional teachers to their local schools.

**25. Sri Manglu Munda, Gandhalpada**

Sri Munda supported the public hearing.

**26. Ms. Lipi Nag, Ward No.2, Kendudihi**

Ms. Nag supported the public hearing. She said school bus has been provided by M/s. JSW for which the school going children are able to attend their school conveniently. Further, she stated that in the M.E. School, there is a shortage of teachers for which study is adversely affected. Therefore, she demanded for providing school teachers. Approach road in front of the school and Anganbadi is in very bad condition for which school going children as well as pregnant women are facing difficulties. This road should be repaired. With regard to health care, Ambulance and first aid facilities have already been provided by M/s.JSW for which she thanked the company. In addition to the above, dust bins have been provided by JSW Foundation for maintaining cleanliness and hygiene. She further demanded that employment should be provided to both unemployed male and female as per their qualification. At the end, she demanded employment for the people who were engaged in the previous owners and for the unemployed.

**27. Sri Bharat Lal Jaiswal, Guali**

Sri Jaiswal while supporting the public hearing hoped that Company would implement all the commitment made in the public hearing.

**28. Smt. Minati Patra, Guali**

Smt. Patra while supporting the public hearing stated that Gada Sahi road is incomplete and in very bad condition. So, she requested to repair the road.

**29. Sri Maheswar Ghana, Katasahi**

Sri Ghana while supporting the public hearing requested the Company to clarify the percentage of ore transportation through pipeline and through Truck. Road from their villages to Guali is important for them because they use this road for going to Hospital, Post office, Panchyat office

and High school, for which traffic control to be ensure by the Company authority. There are few old Government buildings, these needs to be renovated by the Company. It is matter of appreciation that dust bins have been provided, but company authority should ensure that the garbage stored in the dust bins are removed at regular intervals& destroyed and frequent visit of Co. authority is needed.

**30. Sri Kartik Sahoo, Guali**

Sri Sahoo supported the public hearing. He requested M/s. JSW to march forward and make development of the local people and their areas. He requested to give employment to the unemployed people.

**31. Smt. Dusuri Munda, Kendudihi**

Smt. Munda supported the public hearing and stated that she is studying in Guali school and attend her school every day by the school bus provided by the company and since her father is no more, there is no earning members in her family. Therefore, she requested for a job to her family member.

**32. Smt.Sabita Barik, Ward No.6, Guali**

Smt. Barik supported the public hearing and thanked the company for carrying out the developmental works of the village and wished the company should go forward.

**33. Sri Harihar Bankula, Guali**

Sri Bankula while supporting the public hearing expressed that M/s.JSW has done lot for education and requested to do some more in the field of education. He requested to provide employment to persons who are left out. Ambulance and School bus has already been provided but more need to be done.

**34. Sri Somra Munda, Gandhalpada**

**35. Smt. Kanakalata Barik, Ward No.6, Guali**

Smt. Barik while supporting the public hearing requested for employment to the villagers and construction of a Radha-Krushna Temple.

**36. Smt.Basmati Lohar, SHG President, Ward No. 2, Kendudihi**

Smt. Lohar while supporting the public hearing requested for employment to all educated and uneducated youths.

**37. Sri Rabindra Nath Barik, Gandhalpada**

Sri Barik supported the public hearing.

**38. Sri Niladri Bihari Mishra, President, Paribesh Surakshya Samiti, Joda**

Sri Mishra while supporting the public hearing stated that environment of Mining belt is different from other areas. It has a wider impact starting from core level to ozone level so it's not that easy to discuss about it. Still it has to be realized that developed nations have not yet stopped their mining activities. Likewise, mining activities in Keonjhar district is also being carried out since 1925. Stopping of mining operation is not a solution rather it has to be carried out keeping the environment safe. He said that the company has mentioned in its EIA about adopting Dry Fog

technology and KMZ process which is a good step that will reduce the dust pollution level. Now a days, science and technologies are improving. He suggested for dust sucker machine for reduction of considerable amount of dust level. Further, he said that it not the only duty of the Govt. or the company to look after the pollution control issues, rather public are also equally responsible and shall work for it. He requested M/s. JSW to form a committee comprising of Private, Government and Environmentalist to resolve the environment issues. He further stated that he is in this area since 1976 and comparatively dust pollution has decreased from the earlier days due to use of new technologies. He requested for undergoing massive plantation in the open space of village area by having a discussion with Panchayat committee so that oxygen level will develop. Further, he extended helping hand to the company from the NGOs as and when required for safeguarding the environment.

**39. Sri Jamadar Munda, Katasahi**

Sri Mundawhile supporting the public hearing told that his previous speakers have raised various issues, hence he requested the company to ensure implementation of the issues raised by the speakers. In addition, he requested for regular water sprinkling on the roads to reduce dust generation in front of Katasahi gate.

**40. Sri Juria Munda, Gandhalpada**

Sri Munda supported the public hearing.

**41. Sri Kastu Barik, Guali**

Sri Kastu supported the public hearing.

**42. Smt. Moti Munda, Gandhalpada**

Smt. Munda supported the public hearing.

 JSW Steel Limited**

STATEMENT OF ISSUES AND DEMANDS RAISED BY THE PUBLIC AND RESPONSE OF THE PROJECT PROPONENT OF NUAGAON IRON ORE MINES OF M/S. JSW STEEL LTD FOR PRODUCTION OF 20 MTPA (ROM) OF IRON ORE WITH TOTAL EXCAVATION OF 22.013 MTPA WITH SCREENING, CRUSHING, 4500 TPH CENTRAL PROCESSING UNIT (CPU) AND 30 MTPA GRINDING AND DESLIMING/BENEFICIATION PLANT ALONG WITH 30 MTPA SLURRY TRANSPORTATION SYSTEM OVER ML AREA OF 776.969 (AS PER DGPS)/767.284 HA (AS PER ROR) IN VILLAGES NUAGAON, BARAPADA, GANDHALPADA, GUALI, KATASAH, PAREDIPOSI, KOHLARUDUKELA, PANDULIPOSHI, TOPADIHI UNDER BARBIL TEHSIL HELD ON 15.11.2022 AT 11.0 AM AT MOUZA GANDHALPADA, KHATA NO. 48, PLOT NO. 194, KISSAM- TALIA-I ABADA JOGYA ANABADI (AJA) PROPOSED AREA AC.1.150 HA IN THE KEONJHAR DISTRICT.

Sl No.	Issues raised	Response of Project Proponent
<b>Environmental Issues:</b>		
1	Adoption of advance Technology, Use of dust sucker machine etc. for control of dust emission	JSW is adopting modern technology towards the pollution control system in order to minimize dust emission. (a) Drilling & control blasting (b) Material handling system with DFS at crushing and screening sections. (c) Fixed water sprinkling system in permanent haul road and mobile sprinkling through water tankers. (d) Road sweeping machine for control of transport road dust emission. (e) Vehicle wheel washing system during exit of trucks and tippers. Additional water sprinkling system with higher capacity of mobile tankers (50 KL and 16 KL capacity) to be added for control of dust emission. By implementing advance technology, Iron fines (slurry form) transportation through pipeline system will reduce dust emission in comparison with vehicle transportation on road.
2	Regular water sprinkling on roads of Bhuyan Barpada village, Guali Panchayat and in front of Katasahi Gate for control of dust emissions.	Separate mobile tankers for water sprinkling will be deployed on the roads of nearby villages.
3	Maintain of Dust free Environment in surrounding village	Road sweeping machine, water tankers utilized in periphery villages and Avenue plantation will be done. JSW will also follow the best management practices for dust free ambience.
4	Massive plantation in vacant land of villages for protection of environment.	Plantation will be carried out at the required locations and JSW will take up massive plantation, in joint collaboration with village committee or Govt. Forest dept.
5	Construction of drain from hilltop area of the mine to Guali Chowk for management of surface run off.	Project proponent will take up the construction of drain from hilltop area of the mine to Guali Chowk for management of surface run off.
6	Formation of committee comprising of Govt., Private & Environmentalist to address environment issues.	JSW will take up the matter and discuss with the Govt. and reputed agencies for the implementation
<b>Peripheral Issues:</b>		
1.	Provision of employment as per qualifications and priority for locals irrespective of gender.	Job opportunities will be given to the local people as per the eligibility and requirement of the mining activities. More employment will be generated during project expansion and

		preference would be given for the locals.
2.	Employment to left out employees of previous Mines operator i.e. Triveni earth Movers Pvt Ltd.	Based on their skills from unskilled to highly skilled, opportunities will be given to the left-out employees also.
3.	Priority to locals in transportation activities.	JSW will give the Priorities to locals in transportation activities.
4.	Provision of skill development center & conduct of training programs for all SHGs.	JSW will take up the matter and will give encouragement to the SHGs and also to the skill development center.
5.	Improvement in education facilities & provision of school bus, School teachers for ME school and education facilities for orphans.	JSW will deploy additional teachers to the nearby schools in consultation with Education dept. Already, 30 anganwadi schools have been taken up for upgrading and imparting education facilities. Additionally, 55 schools will be taken up phase wise subject to approval from Govt. bodies across of our mines. Bus facilities already been provided to local communities and transporting facilities will be increased for the school & college students.
6.	Drinking Water supply to all the villagers at free of cost.	Already bore wells have been provided in the villages, though JSW foundation group will identify the locations and will provide bore wells based on the needs. Along with this mobile water tankers will be provided.
7.	Medical Facilities & Provision of more Ambulance. Provision of X-Ray & Ultrasound machine in the existing hospital at Guali.	JSW will provide the medical facilities. JSW has already functioning the community health center and has deployed the medical team. JSW also runs the ambulance services to attend for health care. All nearby villagers are facilitated with medical treatment and further also to be increased. Medical and health camps will be conducted under the guidance of government.
8.	More developmental works and modernization of all the villages around the mines.	JSW will take up the matter and will provide on the need basis.
9.	No restriction on movement of school children from Guali to Katasahi and to provide alternate route for villagers to the jungle for collection of forest products.	JSW will take up the matter with local body and will provide alternate route for villagers.
10.	Repairing of approach road of Schools and Anganbadi, completion of Gada sahi road and maintenance of roads, drainage system of Nuagaon & Guali, construction of M/s. JSW main road.	JSW will do the repairing of approach road of Schools and Anganbadi, completion of Gada sahi road and maintenance of roads, drainage system of Nuagaon & Guali,
11.	Maintain of balance ratio for iron ore transportation through slurry pipeline and by Roads to protect the livelihoods of owners of trucks/tippers & dependent families.	By the slurry transporting system, environmental impact will be reduced by conveying iron fines only. Although the transportation through trucks/tippers won't be affected for the local transporter due to iron lump material transporting system. Around 60-70 % of the fines generated & will be transported through slurry pipeline, and remaining 30-40% of lumps will be transported through trucks which will support the livelihood of the truck owners. With increase in quantity of production, generation of lumps and subsequently transportation will increase for the local transporters.
12.	Provision of parking facility & security	JSW already has 2 parking plaza facilities inside

	arrangements at entry point of NH to avoid accidents.	the mines, will take up the matter and if required will give the provision for two more parking plazas.
13.	<p>Provision of other welfare activities such as:</p> <p>i. Statue of Birsha Munda for Adivasi people</p> <p>ii. Mushroom farming, stitching machines, soap making machines and other income-oriented plans to SHG groups.</p> <p>iii. Solar lights to each and every house &amp; solar street lights for safety of villagers at night.</p> <p>iv. Rejuvenation of village Ponds &amp; Bathing Ghats.</p> <p>v. Alternate cremation/burial ground which has been occupied by M/s. JSW.</p> <p>vi. Playground &amp; Football academy at Guali.</p> <p>vii. House to every people through CSR initiatives &amp; club room for Patra Samaj.</p> <p>viii. Renovation of old Govt. buildings.</p> <p>ix. Construction of Radha Krishna &amp; Maa Lakshmi temple.</p> <p>x. Dust bins for Bhuyan Barpada, Gandhalpada village and to ensure timely disposal of garbage.</p> <p>xi. Toilet to every house.</p> <p>xii. Replacement of damaged syntax tanks and provision of good quality pipes.</p> <p>xiii. Ensure traffic control from village roads to Guali used by the villagers for different activities.</p>	<p>i) Statue of Birsa Munda will be established in consultation with village committee and local body representative.</p> <p>ii) JSW will take up this and will provide the stitching machines and also training facilities.</p> <p>iii) JSW will take up this and will provide the solar street lights wherever its necessary.</p> <p>iv) Village pond and bathing ghats will be rejuvenated through CSR activities.</p> <p>v) As per village committee consultation, earmarked place to be identified for developing cremation/burial ground.</p> <p>vi) JSW will provide centralized playground and football academy.</p> <p>vii) Club room establishment and assistance for house construction to be developed for the needy people.</p> <p>viii) Matter to be taken up with consultation with Govt. body.</p> <p>ix) Necessary assistance can be given for renovating of nearby temples.</p> <p>x. Dust bins (For dry and wet waste materials) are being provided in nearby villages. For disposal of these garbage wastes, proper system to be established.</p> <p>xi) Assistance for toilet construction to be provided through CSR initiatives as per the guidance of village committee people.</p> <p>xii) After carrying out survey, construction of syntax tank and piping arrangement for water supply to be done.</p> <p>xiii) JSW will deploy additional security and also separate vehicle for traffic control and will resolve if any congestion in the traffic arises.</p>

**CAD-2023**

## **NOTICE**

It is brought to the notice of all concerned that M/s JSW Steel Ltd. has proposed to have Environmental Assessment for Nuagaon Iron Ore Mines for production of 20 MTPA (ROM) of Iron ore with total excavation of 22.013 MTPA with Screening, Crushing, 4500 TPH Central Processing Unit (CPU) and 30 MTPA Grinding and Desliming/Beneficiation Plant along with 30 MTPA Slurry Transportation System over ML area of 776.969 (as per DGPS)/767.284 Ha (as per ROR) in villages Nuagaon, Barapada, Gandhalpada, Guali, Katashi, Parediposi, Kohlarudukela, Panduliposhi, Topadihi under Barbil Tahsil of Keonjhar district to obtain Environmental Clearance from Ministry of Environment, Forest and Climate Change, Govt. of India. The proponent has applied to the State Pollution Control Board, Odisha, Bhubaneswar for a Public Hearing.

By virtue of Ministry of Environment, Forests & Climate Change, Government of India Notification No. S.O. 1533 (E) Dtd. 14.09.2006, the Board has been authorized to conduct environmental public hearing and as such invites suggestions, views, comments and objections on matters relating to environmental aspects of the proposed project from all the persons including bonafide residents, environmental groups and others located at the proposed site / sites of displacement / sites likely to be affected.

For the above purpose, a person will only mean:

- Any person who is likely to be affected by the grant of Environmental Clearance.
- Any person who owns his control over the project with respect to which an application has been submitted for environmental clearance.
- Any association of persons whether incorporated or likely to be affected by the project and / or functioning in the field of environment.
- Any local authority within any part of whose local limits is within the neighborhood, wherein the project is proposed to be located.

Persons as above who desire to submit their views, comments, objections etc. relevant to the project, may do so in writing within 30 days from the date of publication of this notice addressing the same to the Member Secretary, State Pollution Control Board, Odisha through Registered Post. Besides this, persons interested to submit their views relevant to the proposed mining project in writing or orally may also do so during the public hearing to be conducted on 15-11-2022 at 11.00 A.M. at Mouza- Gandhalpada (Khata No.48, Plot No.194, Proposed area 1.150 Ha., Kissam; Taila-I Abada, Jogy Anabadi(AJA) under Barbil tehsil of Keonjhar district.

Persons desirous of participating in the public hearing may go through the Environmental Impact Assessment (EIA) /Environmental Management Plan (EMP) of the said project which will be available at the following offices. Copy of the Executive Summary both in English & Odia is also available in the following offices & the same can also be downloaded from the website [www.ospboard.org](http://www.ospboard.org) free of cost.

- District Collector's Office, Keonjhar.
- District Industries Center, Keonjhar.
- In the office of the Chief Executive Officer, Zilla Parishad, Keonjhar.
- In the Head office of the State Pollution Control Board, Odisha, Parivesh Bhawan, A/118, Nilakanthanagar, Unit - VIII, Bhubaneswar -12.
- Regional Office, State Pollution Control Board, Odisha, Keonjhar.
- Department of Forest & Environment (Environment), Govt. of Odisha, Bhubaneswar

For any further clarification in the matter, the Regional Officer, State Pollution Control Board, Keonjhar or the Member Secretary, State Pollution Control Board, Odisha at Bhubaneswar may be contacted.
