Date 06/03/2026

REQUEST FOR QUOTATION FOR HIRING OF MECHANISED BOAT/TRAWLER

Sealed separate quotations for each coastal stretch, namely Paradeep, Gahirmatha, Dhamra, Balasore, Ganjam and Puri, are invited from eligible firms/boat service providers for hiring of mechanized boats/trawlers initially for a period of two (02) years for monitoring of water, sediment and biological samples from the shoreline and coastal waters (sea and river), which may be extended further, if required. Each sampling phase shall comprise a maximum period of ten (10) days at each coastal stretch. Accordingly, the firms/boat service providers are requested to quote their best rates in the prescribed quotation format enclosed herewith. (Annexure-I)

SPECIFICATIONS FOR HIRING OF MECHANISED BOAT / TRAWLER

For the Coastal Monitoring Programme covering the coastal stretches namely Paradeep, Gahirmatha, Dhamra, Balasore, Ganjam and Puri, boats/trawlers conforming to the specifications mentioned below are required. The service provider shall ensure availability and supply of the specified type of boat/trawler as and when required for monitoring purposes. The letter of requirement shall be issued prior to commencement of each sampling phase, indicating the period of engagement as per the approved monitoring schedule on a rate contract basis. The approximate duration of each sampling phase shall be communicated to the service provider at least five (05) days in advance of the scheduled date. The bidders are requested to quote their rates strictly in accordance with the minimum requirements and specifications detailed below and in compliance with the terms and conditions stipulated herein.
