**Sub: Procedure for Consent to establish and Consent to operate for Stone  
Crusher and Brick Kiln units.**

Sir,

In pursuance of the decision taken in the Regional Officers Meeting held on dt.23.02.2007, please find enclosed copy of the modified format for submission of inspection report w.r.t. Stone crushers and Brick Kiln units.

The following procedures may be strictly followed for grant/refusal of Consent to establish and Consent to operate.

1. Application for Consent to establish and consent to operate shall be considered on the basis of the certificate of the Collector and District Magistrate of the concerned district on compliance of conditions of the siting criteria, notified by the State Government.
2. Application for first time Consent to operate shall be forwarded to the Head Office with clear cut recommendation. Regional Officer shall not recommend for consideration of application without certificate of the Collector and District Magistrate of the concerned district on compliance of the siting criteria.
3. Application of 1<sup>st</sup> time Consent to operate shall be sent to Head Office alongwith the Ambient Air Quality data and evaluation of adequacy of pollution control measures.

Encl: As above.

Yours faithfully,

MEMBER SECRETARY
