No.84/IND-IV-HW-MISC-429

Dt.02.01.2024

Public Notice

Attention: Producers (any person or entity, who manufactures and offers to sell base oil (any oil used for production of finished lubrication oil) or lubrication oil domestically under its own brand or offers to sell lubrication oil domestically under its own brand, using the base oil manufactured by other manufacturers or suppliers or offers to sell imported base oil or lubrication oil domestically), **Collection Agents** (any person or entity who collects used oil and supplies it to the recycler), **Recyclers** (any person or entity engaged in the process of re-refining of used oil to produce base oil or lubrication oil or any process of energy recovery from used oil, **Used Oil Importers** (any person or entity who imports used oil) and **Bulk Generator** (any entity like Automobile Industry or Railways or Defence establishments or a transport company or industrial units or power transmission company or hotels or restaurants and other such entity which is generating more than 100 metric tonnes of used oil per annum).

This is to bring to the notice that the Hazardous and Other Wastes (Management and Transboundary Movement) Second Amendment Rules, 2023 which is going to be in force from 1st day of April, 2024, all **Producers, Collection Agents, Recyclers and Used Oil Importers** shall have to register in the Extended Producers Responsibility (EPR) Portal of CPCB. The new rules are available in the following links: <https://cpcb.nic.in/uploads/hwmd/HOWM-Second-Amendment-Rules-2023.pdf>.

As per the said rules,

- I. In case any entity falls in more than one category then the said entity shall register themselves under each of those categories.
- II. No entity shall carry out business without registration.
- III. The entities registered shall not deal with any entity not registered.
- IV. Where any registered entity furnishes false information or willfully conceals information for registration or return or report or information required to be provided or furnished or in case of any irregularity, the registration of such entity may be revoked by the Central Pollution Control Board for a period up to five-years after giving an opportunity to be heard and in addition, environmental compensation charges may also be levied.
- V. The Central Pollution Control Board may charge registration fees and annual maintenance charges from the entities seeking registration under this Chapter based on volume of used oil generated, recycled, or handled by them.

Bulk generators shall

- (a) set up collection points to facilitate collection agents for collection and transportadon of used oil from their premises; and
- (b) ensure that used oil generated by them be handed over only to the registered recyclers or producer or collecdon agents.

The responsibilities of all the stakeholders and other related information are explained in the said rules.
